Conference Centre Layout

Logistics

Accommodation:	Additional room reservations or extended hotel stays can be arranged at attendees' own cost through the Rendezvous Hotel Reservations team on (03) 9250 1862.
Attendance certificate:	Will be provided to all attendees by email after completion.
Breakfast:	Buffet breakfast is included for attendees staying at the hotel and is available from 6.30am every day (served in Mr Tompkins restaurant, basement level of hotel).
Check in:	Check in time for attendees who have reserved accommodation is 3pm. Early check in may be available if the room is ready, otherwise luggage can be stored until the room is ready.
Check out:	Check out time for attendees who have reserved accommodation is 10am. Luggage can be stored until departure time.
Dietary requirements:	These should be noted at the time of booking. If not, please notify us ASAP using the "Contact Organiser" link on the Masterclass booking site
Feedback:	A feedback survey will be sent to all attendees after the course and we would very much appreciate your honest and detailed feedback so that we can improve the Masterclass for future years.
Infection prevention:	Please do not attend if you are unwell and/ or diagnosed with COVID-19 or other infectious condition. Please take sensible infection prevention measures whilst attending. Facemasks are not required for attendees but can/ should be worn by any attendees who feel more comfortable wearing a facemask.
Registration:	0830-0900, The Atrium (see layout map above)
Travel/ parking:	3 minutes' walk from Flinders Street train station (preferred). Discounted parking (\$25/day) at Secure Park, 300 Flinders Street is available through Rendezvous Hotel reception (take a ticket on arrival at the car park and bring this to the reception desk).

Sustainability

The course organisers are committed to environmental sustainability and are cognisant of the potential adverse impact of medical courses and the significant waste and energy expenditure associated with healthcare.

In an endeavour to deliver as sustainable course as possible we have committed to:

- Purchasing carbon credits to offset the flights of all attending delegates and faculty
- Avoiding the use of disposable catering products during the course
- Providing all advertising and course material electronically
- Not using any single use promotional products
- Avoiding disposable name badges
- Arranging the course dinner within walking distance of the venue

To this end we have chosen a location in the centre of Melbourne which is in very close proximity to Flinders Street Train Station. Although discounted parking (\$25 per day) is available at Secure Parking, 300 Flinders Street, **we encourage all local delegates and faculty to travel by public transport if at all possible.**

Because we have asked all industry partners to avoid the use of disposable items and marketing material they will be providing QR codes to link to training and marketing information. We will email delegates a copy of all QR codes after the course has completed. Attendee's email address details will not be disclosed.
